100% Cotton Velvet

Care: To prevent overall soil, frequent vacuuming or light brushing to remove dust and grime is recommended. Spot clean using mild, water-free solvent or dry cleaning product. Pretest a small area before proceeding. Cleaning by a professional furniture cleaning service only is recommended. Never remove cushion covers for separate dry cleaning or washing, even though they have zippers. Do not use bleach at any time. Steaming or using water based cleaners may cause excessive shrinking or staining.
