

SPECIFICATION

URBAN LIFE

ENDURANCE + QUALITY + RELIABILITY

A stylish and functional WC is an essential element in any bathroom. Verotti's extensive range of WCs have been ergonomically designed for comfort + functionality. Gentle curves combined with geometric shapes create a sense of timeless elegance and urban purism. The smooth sided walls of our WCs allow for ease of cleaning and are ideal for tight spaces through their unique compact design.

VEROTTI'S range of WCs are manufactured to the highest standards from raw materials through to quality components. The unique LIFT OFF hinge system enables the seat to simply be detached by hand for cleaning purposes, the patented automatic closing system offers the perfect solution for those seeking maximum comfort and hygiene.
