ABOUT	<p>Five Star Day is designed for maximum freshness and versatility. We choose the freshest and sweetest coffees we can find as the seasons shift around the coffee-growing countries.</p> <p>This blend sees a combination of Central America and African coffees, which harmoniously come together to form a balanced, sweet and juicy brew.</p> <p>Five Star Day is deliciously moreish and can be enjoyed black or through milk. Enjoy juicy orange and sweet stone fruit flavours, perfectly complemented by a balanced acidity and silky mouthfeel.</p> <p>If a balmy autumn day was a coffee, Five Star Day is it.</p>
