# BOXER

<b>SUITS</b>	Espresso, plunger, stovetop
<b>ABOUT</b>	<p>A Brazil-based blend designed with the espresso drinker in mind. With its distinctive dark chocolate notes, full body, and pleasant finish the Boxer blend makes gutsy milk drinks, and hefty espresso.</p> <p>The Brazil base provides Boxer with its distinctive chocolatey flavours while the Central American and Asia Pacific coffees help impart a balanced acidity with a maple syrup sweetness.</p>
