FILTER ROAST

KENYA URUMATHI

PRODUCER	Stephen Kahugu Kinyanjui
REGION	Komothai, Githunguri, Kiambu County
VARIETAL	SL28/SL34
PROCESSING	Washed
ALTITUDE	1805-1890 masl
ABOUT	<p>Located in Kiambu County, Kenya, the Urumathi farm produces top-notch coffee, much of which is due to its red volcanic soils, reliable rainfall and ideal climate. Harvested and processed on the same day through wet processing and overnight fermentation, resulting in a clean and flavorful cup. This filter bursts with notes of citrus and currants, complemented by a sweet aroma and clean finish.</p>
