- 1. Center the small circle on top of the medium circle.
- 2. Whip stitch the two circles together using the 12wt Sulky thread.
- 3. Using the 12wt pearl cotton, sew the button onto the center of the small/medium circle grouping.
- 4. Stitch the snowflake design within the small and medium circle only.
- 5. When the small/medium snowflake designs are all stitched, use the 12wt Sulky thread to whip stitch the small/medium circle combo onto the center of the large circle as shown.
- 6. Use the 12wt pearl cotton to embroider the snowflake stitches on the larger circle.
