

Petcare Pointers: Caring for Your Pet Birds

Your bird needs to know that it is morning. Uncover the cage so she can wake up.

#1

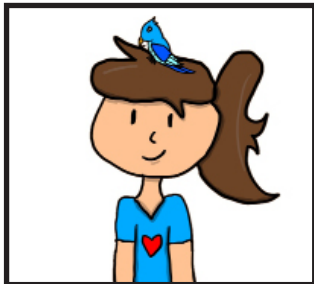

Change the food and water. Make sure the containers are clean.

#2

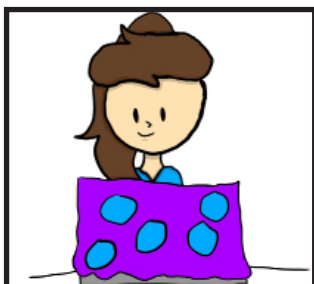

Make sure your bird is living in a clean environment. Wipe down her cage and toys.

#3

Let your bird out to fly around the house; strengthen your bond by giving your bird treats.

#4

Cover your bird's cage so she can get a good night of sleep.
