NS/S Partner Gardener Program

Havasupai Striped Sunflower

Experienced Tucson-area gardeners can receive free seed and training. Return seeds to the bank to refresh our supply and keep extra to plant and share.

Crop notes:
• 800' isolation distance from other sunflowers
• Min. 10 plants (35ft²)
• Tall, requires support
• Bagging protects drying seed from birds

Online applications due June 1, 2021

Must be able to pick-up at Tucson Conservation Center
