Texas Chiltepin

Experienced Tucson-area gardeners can receive free seed and training. Return seeds to the bank to refresh our supply and keep extra to plant and share.

Crop notes:
- Gardeners will receive plant starts, not seed
- Requires 50-300 feet of isolation from other chiles
- Min. 3 plants (~10ft²)
- Low water use
- Perennial plant, multi-year seed harvesting commitment

Online application due
June 10, 2021

Must be able to pick-up at Tucson Conservation Center
