

Collection 01  
Midas Highway

---

*The golden arrow trajectory reaches a human king.  
It grants him the extraordinary power to transmute all  
he touches to gold, opening before him vast avenues  
of possibility and power. However, the gift quickly  
shows itself a bane and is consigned to a river,  
a water highway, custodian of the eternal balance.*

Collection 01  
Midas Highway
