We guarantee Skip-the-Line access to museums and cultural sites, with professional and authorized local guides.

As of October 2017, Italy is home to the largest number of UNESCO World Heritage Sites, with 53 locations featured on the list.

The UNESCO World Heritage Sites are places of cultural or natural importance to the common heritage of humanity; Carrani Tours - I LOVE ROME offers services throughout the entire territory of Italy, discovering most of these important sites: Pompeii and its ruins, Assisi and St. Francis Basilica, Amalfi Coast, Florence, Pisa, Cinque Terre, Tivoli and its villas, and the Historic Center of Rome. Passion and professionalism build a network of tours and visits, counting more than 800,000 travelers per year from all over the world.

UNESCO, United Nations Educational, Scientific, and Cultural Organization, was created in 1945 to respond to the firm belief of nations, forged by two world wars in less than a generation, that political and economic agreements are not enough to build a lasting peace. UNESCO strives to build networks among nations that enable this kind of solidarity building intercultural understanding: through protection of heritage and support for cultural diversity; the idea of World Heritage is created to protect sites of outstanding universal value; while each World Heritage Site remains part of the legal territory of the state wherein the site is located, UNESCO considers it in the interest of the international community to preserve each site.

Are there any reduced rates for children?

Yes, infants up to 2 years old: Free of charge, 3-7 years old: 20% off (except T18 - T198 - TM8 - TM9)

No infant and child reduction: T3E, T16, T17, M5, M6, M7, M10

Why does the pick-up time show a time range?

Our pick-up service takes place in the center of Rome. The bus takes approximately one hour to pick up all of the passengers, subject to traffic conditions and the number of passengers booked for that particular tour. For this reason, pick-up times are shown as an interval. "Starting from 7:30" means that we will pick you up at your hotel at 7:30 or after in order to be on time for the beginning of the tour.

What if I don't want to use the pick-up and drop-off service?

In most cases, we offer the "best value" formula: You may reach the meeting point indicated for the tour on your own, saving you time and money.

The tour lasts between 2 and 4 hours. Will there be a break during the tour?

Yes, we always schedule one or more breaks during the tour. The number and length of breaks vary according to itinerary. Unfortunately, it is not possible to make stops if individually requested, unless there is an emergency or specific need.

Can I take pictures during the tour?

Sure! But remember that you can't use bulky equipment, especially if it is contained in large bags, or flashes and tripods.

Why are there slowdowns to get inside the Colosseum even though the tour is "Skip the Line"?

Because of new security regulations, each bag must be inspected by a metal detector at the entrance. This will delay the process regardless of the type of tickets or tour you have purchased. Please remember, in order to avoid further delays inside the Colosseum, do not bring large bags, large backpacks, or trolleys. You can have a small backpack or bag on your shoulder, but these bags are still subject to a security check.

Are there any restrictions on clothing during the tour?

In Rome, especially in places of worship and inside the Vatican Museums, it is strictly forbidden to bring strollers, bulky bags, or umbrellas, or to wear low-cut clothing. Shoulders should be covered as well.

Wandering through the ancient streets of Rome, you will visit the most important squares and fountains in the city.

Meet us in front of the entrance of Accademia Nazionale di San Luca for a walking tour of Rome's best squares and fountains. The first stop will be Piazza di Trevi, where you can admire the beautiful Trevi Fountain—be sure to throw a coin into the fountain to ensure a return trip to the Eternal City. Next, it's off to Piazza di Spagna, with its romantic atmosphere and the legendary Spanish Steps. At the top of the stairs, you will get to admire the Church of Trinità dei Monti, one of the emblematic monuments of Rome. Finally we will arrive in Navona Square, considered one of the most famous and elegant squares in the city. The main attraction of the square is La Fontana dei Quattro Fiumi, a massive fountain with a soaring obelisk representing rivers from four continents. Though it is the most famous, it is not the only fountain in the square. We'll admire the other two fountains as well: Fontana del Nettuno at the northern end and Fontana del Moro at the southern end of the square. These beautiful piazzas are where Romans gather every day, and each one has its own personality—get to know them all!

We usually confirm or decline a reservation within 24 hours unless the request is placed on a weekend or holiday.

DEPOSIT REQUIRED: A 20% refundable deposit of the total amount is due at the time of reservation. Instant purchase packages require full payment at the time of booking. Group bookings may require a different deposit amount. Certain FIT or customized itineraries/reservations might require different amounts for deposit. Airline tickets have to be paid in full at time of reservation and are not refundable.

CANCELLATION AND REFUND POLICY: Unless specified at the time of reservation, all cancellations are refundable up to 45 days prior to the first day of service. There is no refund for cancellations made after. Exceptions may apply only when and if specified at the time of the original reservation. Airline tickets are not refundable.

FULL PAYMENT: Due 46 days prior to departure. Payments by certified check, credit card (Visa, Amex or Mastercard), or bank wire transfer. Exceptions may apply and will be mentioned at time of reservation.

PRICES: All prices shown are LAND ONLY. Please contact us for airfare quotes. Unless specified, prices are per person and based upon shared room occupancy in case of double or triple room. Prices are quoted in USD at the exchange rate known at the time the brochure was printed. Prices are subject to increase due to any increase in our cost, such as, but not limited to: increase in air/land fares, fuel cost, and currency fluctuation. We reserve the right to revise the price and reinvoice in case of price increase at the time final payment is due.

For updated prices visit our website

CHANGES AFTER DEPOSIT: \$50 per revision plus any expenses imposed by suppliers. A revision is defined as any item in a booking which requires an amendment. For example, one hotel revision would equal \$50; two hotel revisions on the same booking would equal \$100 plus supplier fees. A change of destination constitutes a cancellation, and will be subject to full cancellation fees. No charge for changes of hotel only reservations.

DOCUMENTS AND VOUCHERS: Will be sent electronically. Will be sent via e-mail or mailed 21 days prior to departure for delivery approximately 14 days prior to departure, provided that full payment (cleared check or approved credit card) is received.

AMENDMENTS AFTER DEPARTURE: The cost of any changes or additions will be at the local rate at the time of the amendment, not per the Ciao Italy & Carrani Tours LLC website or brochure, and must be borne by the passenger.

HOTEL ACCOMMODATIONS: Will be provided in accordance with the itinerary or similar. We reserve the right to make substitutions with hotels of equal standard. There will be no refunds for any difference in the cost of those accommodations. All rooms are standard rooms with private facilities, unless you have specifically requested and paid for an upgraded room category. Special requests such as bed types are subject to availability. Room selection in all cases, unless otherwise reserved, is strictly at the discretion of the hotel's management. Triple rooms consist of standard twin/queen beds plus a sofa/folding bed or cot for third person. The number of persons accommodated does not dictate the room size. All hotel rates are based on Ciao Italy & Carrani Tours LLC agreements with its suppliers and are confidential and not negotiable. Hotel check-in time is generally not before 2:00 p.m. and check-out time is prior to noon. Please be sure that adequate arrangements for accommodations have been taken into consideration when a late-night flight is being used. If a day room is included in the itinerary, check-out will normally be 6:00 p.m.

HOTEL PROFILES: Ciao Italy & Carrani Tours LLC hotel profiles are based upon information provided to Ciao Italy & Carrani Tours LLC by hotel and their representatives, including images and descriptions of individual properties. Star-ratings may differ from country to country. Ciao Italy & Carrani Tours LLC does its best to maintain current information, however is not responsible for any inaccuracies, changes in description details or amenities, or images provided by third parties.

MEALS ON TOUR: As specified in each itinerary. Meals are based on the hotel's or restaurant's buffet or set menu. In general, beverages are included, unless

specifically stated. Sometimes meals could be included in a local restaurant; this will be noted on the reservation.

SIGHTSEEING: Will be operated by motor-vehicle, its size dictated by the number of participants, at the sole discretion of the company. Please refer to each tour package for a complete listing of tour services included. The number of participants may vary during the tour, as there are travelers arriving on different airlines and on different days of the week. It is your responsibility to arrive on time for all scheduled package components. Arriving late may be considered a "noshow," in which case you will not be eligible for refund for the unused service(s). We cannot guarantee the number of passengers who will be on any given tour. You may find that you are traveling with a sizeable group or only with your own companions. Services, however, will remain constant no matter the number of tour participants.

LANGUAGE: Escorted multi-day tours and daily sightseeing tours are multi-lingual tours. English and Spanish are spoken during tours. Private tours or private transfers are guaranteed in English only.

LUGGAGE: All tour packages allow one piece of luggage per person and one carry-on bag. The Travel Agent and/or Tour Operator, Ciao Italy & Carrani Tours LLC, shall not be held responsible for any damage to or loss of luggage/personal items. All damage/loss must be reported at time of incident and documented in writing by local authorities for submission to the insurance company.

ITINERARY AND HOTEL VARIATIONS: Occasionally, during holidays and certain periods, due to unforeseen circumstances, the local Tour Operator may have to make last-minute changes, sometimes after arrival, in the sequence of the tour and/or hotels. Therefore, we reserve the right to substitute any of the hotels with no cost adjustment.

NON-OPERATION OF ESCORTED TOUR: Escorted-tour packages are based upon a minimum number of participants. Cancellation of any tour for lack of participation will be advised at least 30 days prior to the tour's departure, and all money will be refunded. Ciao Italy & Carrani Tours LLC will not be held responsible for any costs relating to the issuance and/or cancellation of airline tickets or visa fees. Voluntary cancellations due to political instability, acts of terrorism, government intervention or U.S. State Department warning will be subject to cancellation fees, provided the program is deemed (Ciao Italy & Carrani Tours LLC) able to continue. Should Ciao Italy & Carrani Tours LLC elect to cancel a departure for any of these reasons, every effort will be made to obtain refunds from suppliers; however no guarantees can be provided on their behalf.

CANCELLATION FOR ESCORTED TOURS: Up to 45 days prior to departure: \$50 p.p. 45 to 00 days prior to departure or no show: 100% of tour cost.
