

HAIR BOW LIBRARY

Maisie Moo

Welcome to Maisie Moo's Bow Library!

♥ PLEASE READ THE FOLLOWING ON HOW TO USE ♥

You will find following, a photo library of all Maisie Moo hair bow templates. They are in alphabetical order to correspond to the file names you download.

There are three ways to purchase Maisie Moo Hair Bow designs. Individually, as part of 1 of 4 bundles which include 50+ designs or you can purchase the MEGA bundle with all of my designs up to the end of 2022.

When you click on a photo of any bow, it will take you to the individual listing on Etsy, where you will find more information on that particular design (sizing etc...) When you scroll down on the listing you can also see the many wonderful reviews left by Maisie Moo customers, including inspirational photos showing their fabulous creations.

Each bow photo shows a number tab, this corresponds to the bundle that design is included in. If you purchased 'Bundle 4' then look for the number 4 to find your bows. Easy!!

If you have purchased the MEGA bundle then you will have all the designs with a number (1-4) on them. **Please Note**—New designs will be added to the library in future, these will display a star symbol, however they are NOT included in your purchased bundle.

Please remember if you have any questions or concerns, just reach out! I am here, happy to help.

If you are not a member of the Maisie Moo Fan group then click [HERE](#) to discover a fabulous, supportive community of creatives all using Maisie Moo designs. It is a great place to ask questions and get inspiration on what to make next!

Maisie Moo also has a YouTube channel where I share tips, assembly videos and even 'Freebies' too. Find the channel [HERE](#).

Righty O then! I will not take up any more of your time. Please enjoy looking through the library, choosing your bows and have fun creating!!
