BY MCKEE & COMPANY

Sparrow & Sage is about the little details that make a piece special. Our best-selling Malibu chair is both familiar and fresh, with a wide top rail and baseball stitching – not an easy way to make a chair, but certainly one that sets it apart from the crowd.

TRACEY TABLE

Made of Monterrey Oak, the Tracey Table has natural cracks and knots which emphasize its organic beauty. The handcrafted curve of the leg in our Smoke finish adds a unique contrast to the French Oak finish on the table top.
