

25<sup>th</sup> July 2011.  
Ties n Cuffs  
Andrew Gideon

The organising committee would like to take this opportunity to personally thank you for your generous contribution to the 5th Annual Splash of Red ball.

With the help of your donation, our evening was extremely successful and over \$52,000 was raised.

As you are aware our fundraising efforts are to support various SIDS and SUDC research and bereavement support programmes in NSW. Our beneficiaries are The splash of Red Foundation Scholarship at the Centenary Institute which has been established to assist with their ongoing research into unexplained death in children, the Westmead Children's hospital SIDS and sleep apnoea research & SIDS and Kids NSW to assist with their research into SIDS and SUDC as well as to contribute to the ongoing cost of their bereavement support programmes and educational activities.

Without the financial input from private companies and businesses like you, these programmes would not continue therefore families that suffer such a tragedy would have to cope with this devastating loss without long term support.

We have already commenced planning for further fundraising events throughout the remainder of 2011 and into 2012 and we look forward to continuing our relationship with you in the future.

If you are interested in long term sponsorship of our fundraising efforts, please visit our website [www.splashofred.org.au](http://www.splashofred.org.au) and download the information form from our Corporate Sponsorship page. Our sponsorship packages also give you and your fellow colleagues an opportunity to attend the ball, along with other fundraising events and share in our fun whilst raising the much needed funds for SIDS and SUDC research and support services.

Once again we thank you for your support and please accept this Certificate of Appreciation from the Splash of Red Ball Team.

Regards,  
Splash of Red Team
