INGREDIENTS

Unscented Bath Products

Conditioning Shampoo: A gentle shampoo enhanced by conditioners for the hair. Cleans and conditions hair and rinses clean.

Ingredients: Organic Herbal Infusion, Organic Aloe barbadensis (Aloe Vera), Decyl Glucoside, Cocamidopropyl Hydroxysultaine, Cocamidopropyl betaine (from coconuts), Cocamide MIPA, Disodium Laureth Sulfosuccinate, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, (2s)-2-Amino-5-guanidinopentanoic Acid, Panthenol (Vitamin B-5), Organic Achillea millefolium (Yarrow), Triticum vulgare (Wheat Germ Oil), Olea europaea (Olive Oil), Tocopheryl acetate (Vitamin E), Rosa canina (Rose Hip Oil), Borage officinalis (Borage Oil), Citrus Aurantium dulcis (Orange Peel Tincture), Origanum compactum (Oregano Oil), Melaleuca alternifolia (Tea Tree Oil), Ethylhexyl Glycerin, Phenoxyethanol.

Moisturizing Conditioner: A delightful product can be a crème rinse to use after shampoo or a deep conditioning treatment, depending how it is used. For crème rinse after shampoo: Use the size of a quarter, let it sit for 1 to 2 minutes, then rinse. Conditions as it removes tangles. For deep treatment apply 1 to 3 ounces (short to long hair) to towel-dried hair after shampooing. Wrap with saran or plastic hair cap and sit under drier for 10 minutes, then rinse out. Leaves hair silky, conditioned and ready for chemical processing. This is a great salon product.

Ingredients: Organic Herbal Infusion, Organic Aloe barbadensis (Aloe Vera), Cetearyl Alcohol (Plant Derived), Behentrimonium Chloride, Organic Simmondsia Chinensis (Jojoba Seed Oil), Organic

Sesamum Indicum (Sesame Seed Oil), Organic Persea Gratissima (Avocado Oil), Organic Olea Europaea (Olive Fruit Oil), Organic Oenothera Biennis (Evening Primrose Oil), Organic Linum Usitatissimum (Linseed Oil), Organic Cocos Nucifera (Coconut Oil), Organic Butyrospermum Parkii (Shea Butter), Organic Borage (Starflower Seed Oil), Polysorbate-60 (Plant Derived), Capryl Hydroxamic Acid (Naturally Derived Preservative), Amodimethicone, Caprylyl Glycol (Naturally Derived Preservative), Panthenol (Pro-Vitamin B5), Kosher Vegetable Glycerin (Plant Derived), Coco-Caprylate/Caprates, Isopropyl Palmitate (Palm Oil), Guar Hydroxypropyltrimonium Chloride (Plant Derived), Sodium Benzoate (Plant Derived Preservative), Potassium Sorbate (Plant Derived Preservative), Colloidal Oatmeal, Citric Acid (Naturally Derived).

Bath And Shower Gel: A delightful cleansing gel that can be used as a shower gel, shampoo, or a bubble bath. This product produces a lot of moisturizing foam.

Ingredients: Organic Herbal Infusion, Organic Aloe Barbadensis Leaf Juice (Aloe Vera), Ammonium Laurel Sulfate, Cocamidopropyl Betaine (From Coconut), Cocamide D.E.A. (From Coconut), Prunus Armeniaca (Apricot Kernel Oil), Organic Simmondsia Chinensis (Jojoba), Organic Rosmarinus Officinalis (Rosemary), Organic Anthemis Nobilis (Chamomile).

Liquid Castile Soap: Some essential oils make natural liquid soap snotty. These oils include lemon, lemongrass, clove, eucalyptus, and possibly others. Test small batches before making large quantities. Orange oil may separate and float if too much is used. Warm and stir to blend thoroughly. Examine mixture in 24 hours for evidence of separation. Skim excess from top, if necessary. Any oil based, or water based, herbal ingredients can, potentially, be added. Between 20 (polysorbate 20), will maximize essential oil blending in soap. 1.5% essential oil can be added, but this % can be doubled with the addition of 5% of polysorbate 20.

Ingredients: Purified Water, Potassium Hydroxide, Glycerine, Coconut Oil (Certified Organic), olive Oil (Certified Organic), Oleic Acid.

Light Lotion: Quick absorbing, light lotion that conditions without feeling greasy. A perfect light moisturizer for all skin types.

Ingredients: Organic Aloe Barbadensis (Aloe Vera), Isopropyl Palmitate (Palm Oil), Kosher Vegetable Glycerin, Cetyl Alcohol, Stearic Acid, Glyceryl Stearate, Organic Carthamus Tinctorius (Safflower Oil), Organic Helianthus Annuus (Sunflower Oil), Butyrospermum Parkii (Shea Butter), Organic Simmondsia Chinensis (Jojoba Oil), Panthenol (Vitamin B5), Phenoxyethanol, Ethylhexyl Glycerin, Xanthan Gum, Allantoin, Triticum Vulgare (Wheat Germ/Natural Vitamin E), Organic Camellia Sinensis (Green Tea), Citric Acid.

Deep Therapy Cream: Deep therapy moisturizing cream. Perfect for rough damaged skin.

Ingredients: Organic Herbal Infusion, Organic Aloe Barbadensis Leaf Juice (Aloe Vera), , Kosher Vegetable Glycerin (Plant Derived), Cetearyl Alcohol (Plant Derived), Carthamus Tinctorius (Safflower Seed Oil), Helianthus Annuus (Sunflower Seed Oil), Stearic Acid (Plant Derived), Glyceryl Stearate (Plant Derived), Polysorbate-60 (Plant Derived), Isopropyl Palmitate (Palm Oil), Glyceryl Caprylate (Natural Preservative), Dimethicone (Mineral Based), Carbomer, Tocopherol (Antioxidant), Ethylhexylglycerin (Plant Derived Preservative), Sodium Hydroxide (ph Modifier), Allantoin (Comfrey Root Derived), Lonicera Japonica (Honeysuckle Extract Natural Preservative).

Melt & Pour Glycerine Soaps

Clear Glycerin Soap Base: Our clear glycerin base is a very moisturizing high lathering soap base.

Ingredients: Coconut Oil, Palm Oil, Castor Oil, Safflower Oil, Glycerin (Kosher, of Vegetable Origin), Purified Water, Sodium Hydroxide (Saponifying Agent), Sorbitol (From Berries, Moisturizer), Sorbitan Oleate (Emulsifier), Soy Bean Protein (Conditioner), EDTA (Water Softener).

White Soap Base: Palm and Coconut have been used in our regular clear and white formulations.

Ingredients: Coconut Oil, Palm Oil, Glycerin (Kosher, of Vegetable Origin), Purified Water, Sodium Hydroxide (Saponifying Agent), Sorbitol (Moisturizer), Sorbitan Oleate (Emulsifier), Soy Bean Protein (Conditioner), Titanium Dioxide (Mineral whitener used in opaque soaps).

Shea Butter Soap Base: (5% added naturally crushed shea butter)
This is a white soap base with added shea, gives off a creamy lather while promoting moisture and softening. One of our most popular soap bases.

Ingredients: Coconut Oil, Palm Oil, Safflower Oil, Glycerin (Kosher, of Vegetable Origin), Shea Butter (Refined Naturally Crushed), Purified Water, Sodium Hydroxide (Saponifying Agent), Sorbitol (Moisturizer), Sorbitan Oleate (Emulsifier), Soy Bean Protein (Conditioner), Titanium Dioxide (Mineral whitener used in opaque soaps).

Hemp Seed Soap Base: (5% added unrefined pure hemp seed oil)
This is a clearish olive oil soap base with hemp seed oil added for its moisturizing properties to make a soap with good lather and a hint of olive green color.

Ingredients: Olive Oil (Grade A Extra Virgin), Palm Oil, Coconut Oil, Safflower Oil, Glycerin (Kosher, of Vegetable Origin), Hemp Seed Oil (Unrefined), Purified Water, Sodium Hydroxide (Saponifying Agent), Sorbitol (Moisturizer), Sorbitan Oleate (Emulsifier), Soy Bean Protein (Conditioner).

Cocoa Butter Soap Base: (5% unrefined cocoa butter) This is a white soap base with added cocoa butter. It gives off creamy lather and also gives a light smell of chocolate.

Ingredients: Coconut Oil, Palm Oil, Safflower Oil, Glycerin (Kosher, of Vegetable Origin), Cocoa Butter (Unrefined), Purified Water, Sodium Hydroxide (Saponifying Agent), Sorbitol (Moisturizer), Sorbitan Oleate (Emulsifier), Soy Bean Protein (Conditioner), Titanium Dioxide (Mineral whitener used in opaque soaps).

Castile (White) Soap Base: Our castile soap base is made with 25-30% kosher grade A extra virgin olive oil. It differs from other opaque soaps due to the olive oil content being higher than the coconut, which results in a more lubricating and moisturizing soap.

Ingredients: Olive Oil (Kosher Grade A Extra Virgin), Palm Oil, Coconut Oil, Castor Oil, Safflower Oil, Glycerine (Kosher of Vegetable Origin), Purified Water, Sodium Hydroxide (Saponifying Agent), Sorbitol (From Berries, Moisturizer), Sorbitan Oleate (Emulsifier), Soy Bean Protein (Conditioner), EDTA (Water Softener).

Oatmeal Soap Base: Our oatmeal soap is know as a terrific exfoliant for the skin and also produces a great moisturizing lather.

Warning: Oatmeal soap base needs to be heated slowly, in a double boiler over a low flame. If over heated or microwaved the oatmeal can burn and emit an offensive odor and make soap sticky.

Ingredients: Coconut Oil, Palm Oil, Castor Oil, Safflower Oil, Glycerin (Kosher, of Vegetable Origin), Purified Water, Oatmeal, Sodium Hydroxide (Saponifying Agent), Sorbitol (From Berries, Moisturizer), Sorbitan Oleate (Emulsifier), Soy Bean Protein (Conditioner), EDTA (Water Softener).

Honey Soap Base: A generous amount of honey has been added which produces a beautiful light amber colored melt & pour soap base. The honey soap base is very soothing to the skin.

Ingredients: Coconut Oil, Palm Oil, Castor Oil, Safflower Oil, Glycerin (Kosher, of Vegetable Origin), Purified Water, Honey, Sodium Hydroxide (Saponifying Agent), Sorbitol (From Berries, Moisturizer), Sorbitan Oleate (Emulsifier), Soy Bean Protein (Conditioner), EDTA (Water Softener).

Olive Soap Base: Due to the high content of olive oil, an attractive pale yellow color may be noticeable. The color may slightly darken with time.

Ingredients: Olive Oil (Kosher Grade A Extra Virgin), Palm Oil, Coconut Oil, Castor Oil, Safflower Oil, Glycerin (Kosher of Vegetable Origin), Purified Water, Sodium Hydroxide (Saponifying Agent), Sorbitol (From Berries, Moisturizer), Sorbitan Oleate (Emulsifier), Soy Bean Protein (Conditioner), EDTA (Water Softener).

NOTE: You might notice extra “sweating” with our high 25% moisturizing glycerin formula soaps (glycerin draws moisture from the air). Wrap soap immediately after it sets up and has been unmolded to avoid excess sweating.
