

RULES UPDATE FOR RECONQUEST PHASE 1 VERSION 1.1

After carefully considering the many pages of debate on the forums as well as talking to players in person, we have decided to take this opportunity to make a few rules changes to the Reconquest Phase 1 Version 1.1. Dropzone Commander is a live game and although this is not something we intend to do often we feel that players will prefer a slightly updated version. You can still use your original rulebook with the aid of this document and the Original Rulebook Errata and Clarifications documents.
