Scan this code for more details about the ETSO.

ETSO 2c503-Compliant.

# ETSO Anti-Exposure Suits: ETSO 2c503 Compliant.

World's most comfortable, breathable, lightweight dry suit.  
ETSO 2c503-Compliant with unique ergonomic design for  
increased range of motion during flight.

## Features:

- Unique U-Zip-It™ low slung entry zipper design provides ease of donning, unassisted zipper closure and freedom of movement.
- Articulated knee, seat and elbow chafe patches are constructed of highly abrasion resistant, heavy duty Nomex®/Kevlar® Ripstop fabric.
- Flame resistant shawl collar protects the neck seal while an internal Nomex® neck guard provides added comfort.
- Ergonomic pattern design for increased range of motion during flight.
- Available in Rescue Orange, Tri-Laminate PTFE Nomex® fabric that is waterproof, breathable and fire resistant.
- Latex neck and wrist seals feature internal taslan sleeves to facilitate ease of donning, provide comfort and increase fire protection.
- Wrist over cuff and shawl collar to protect latex seals.
- Removable foam knee pads.
- ETSO 2c503 Compliant reflective panels on arms and legs for visibility.
- Pockets on upper arm, thigh and ankle for storage.
- Optional full body liner from Bare Sports.
- Waterproof, breathable stretch socks attached to the suit.
- All suits come standard with a neoprene hood & glove kit.
- Custom sizing available for Pilot Suit.
- Size XS-2XL for Passenger Suit.
- The ETSO Pilot and Passenger Suits are ETSO 2c503 Compliant.
