

FLU-8B/P, FLU-9B/P & FLU-12P

Automatic inflators for mil-spec life preservers

SWITLIK Survival Products is proud to be the exclusive international distributor of Stratus Systems, Inc. FLU automatic inflators for military use. These high quality automatic life preserver inflators are fully qualified by the U.S. Navy and U.S. Air Force for use in ejection seat aircrafts and shipboard flight deck operations. They are also the automatic life preserver inflators of choice for militaries around the world. The Stratus Systems inflators have the distinction of being the only automatic FLU inflators which are classified as non-hazardous material for transport and storage.
