Fit

Size Chart

Athletic fit.

	CHEST	LENGTH
S	51cm	74cm
M	54cm	76cm
L	57cm	78cm
XL	60cm	80cm

Measurements to be conducted on a flat lay shirt.

Wholesale Terms & Conditions

Minimum first order of \$500AUD (including GST). No minimums are imposed for subsequent orders.

All prices are in Australian Dollars (AUD). Wholesalers must set their retail price for Flexion products at the same price which is displayed on the Flexiongear.com website. International wholesalers must set their retail price at the equivalent of the AUD retail price, these prices may change due to exchange rate fluctuations.

Wholesale price is 50% of retail price. The current 2021 FlexProof shorts retail price is \$60 AUD, wholesale price is \$30.00 AUD.

We accept payment through PayPal, Direct Deposit or by Credit Card. Please note that orders will not be sent until payment is received.

Unpaid orders will be held for 7 days. After this time your order will be cancelled.

We endeavour to pack and send your order as soon as possible and orders are usually dispatched within 1-2 business days. However, during busy times please allow up to 5 business days for processing. You will be notified by email when your order has been sent. If local to the Sydney area you may pick up your order from our warehouse based in Brookvale, NSW.

Shipping costs are calculated based on weight of order and geographical location. Both regular and express shipping are available.

In the extremely rare event that you receive a faulty/damaged item, please make contact with us via our contact page. We will resolve the issue as quickly as possible.

For Flexion marketing material, display banners, posters or joint advertising campaigns please email Jacob at hello@flexiongear.com

About Flexion

Flexion engineers functional apparel & accessories that compliment athletic performance.

Flexions Advanced Apparel Architecture development process allows us to create innovative products engineered to perform in current and future climatic and environmental conditions. Following our mantra - Function over Everything, every single product we create is engineered to aid athletes in performance.

Over the past 3 years Flexion products have been worn and loved by CrossFit Games athletes, National level Powerlifters and Olympic Weightlifters and Strongmen.

Headquartered in Sydney, Australia, Flexion products are available in over 50 countries around the world.
