

5 Speed Close Ratio Gear Kit (CRGK) Honda Civic & Integra (EG6 /K4 / K9 / C2)

Available Kits:

- 5-A for EG6 / EK4 / EK9 / DC2 ('96 spec)
- 5-B for DC2 ('98 spec)

Characteristics:

Each gear ratio of the OS 5-Speed Close Ratio Gear Kit is determined through years of rigorous testing at circuits all around Japan. Choose from an array of optional final-gears to maximize the engine's potential at any circuits and any race-mediums.
