Buyer shall not reproduce any drawing furnished by Seller. Buyer shall not use or disclose any of Seller's trade secrets or confidential information, whether or not designated as such, except as required in connection with the use or resale of the goods or services covered by this contract.

14. Credit and Collection. 18. Attorneys' Fees. If Seller pursues any legal action to enforce any of its rights, Seller shall be entitled to recover from Buyer all reasonable attorneys' fees and all other costs and expenses incurred by Seller in connection with such action.

19. **Pandemic-related disruptions** are resulting in record-high freight charges as well as potentially increasing rates of transport damages. Demand for container tonnage is now exceeding the available number of ships and containers. The resulting effect: Transport costs for container shipments have increased significantly, while deliveries are being sometimes delayed or cancelled. ABA Packaging Corporation is working diligently with our suppliers and our logistics partners to minimize the impact on freight movements that we have quoted and are managing for our valued customers. As much of this is out of our control, we reserve the right to make adjustments to international freight costing and timing proposals that we have given in good faith to our customers.
