Christmas baubles

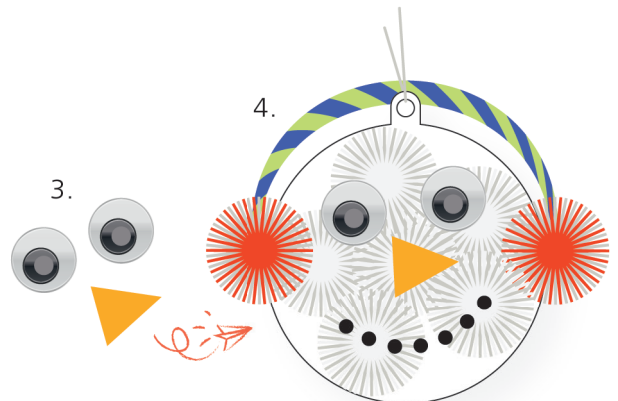

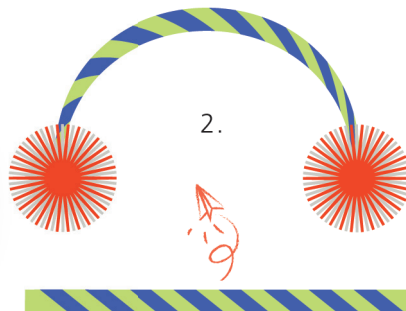

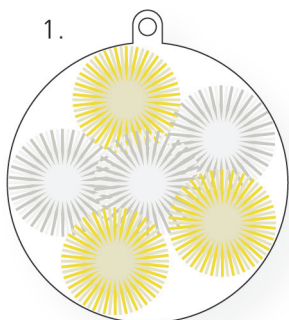

super easy to make

You will need...

- Paint/permanent marker
- Plastic baubles
- Googly eyes
- Card
- Pom poms
- Pipe cleaners
- Scissors
- Glue

1. Fill your bauble with coloured pom poms or tissue, for the snowman we recommend using white.

2. Make the snowman's earmuffs by cutting 2 pipe cleaners in half and wrapping them together. Bend them into an arch and glue a pompom to either end.

3. Cut out a small triangle of card for the snowman's nose. Stick the googly eyes and nose onto the bauble then draw on a mouth. You can use paint or pens if you don't have googly eyes.

4. Stick the pipe cleaner and pom poms on the bauble to keep the snowman warm! Hang on the tree for your home-made Christmas bauble!
