set  
**£21.00**

### Mr Face wall hanging

An introduction to emotions, feelings and facial expressions. A wall chart with 22 detachable pieces. Give Mr Face a happy, sad, angry or simply funny face!

**049751**

set of 12  
**£21.20**

### emotions stones

Tactile stones engraved with 12 faces showing common emotions: happy, sad, angry, frightened, worried, surprised, confused, bored, calm, proud, shy and embarrassed. Can be used in sand and water, indoors and out. Set includes 12 x 45mm stones and activity leaflet.

**185779**

set of 6  
**£30.60**

### emotional puppets

Each of these colourful puppets is expressing a different emotion: anger, sadness, joy, fear, surprise and one without an expression. 250mm high.

**240540**

### face cubes

Cubes with different expressions on each side. A perfect way to discuss emotions and feelings. Great for fun activities and group games. 200 x 200 x 200mm.

Age 2 years +

<b>242047</b>	<b>Miss Face</b>	<b>£26.50</b>
<b>242039</b>	<b>Mr Face</b>	<b>£26.50</b>

set of 6  
**£48.00**

### mood & emotion mirrors

Learn to identify and understand moods and emotions with these skill-building mirrors. One side features a safe, shatterproof mirror and on the other there is an expressive photo with the emotion labelled beneath it, helping children recognise and identify each emotion in themselves. 210mm long.

**244031**

### multicultural emotion cubes

Help children learn to recognise and discuss different emotions with these 40mm foam cubes. 2 cubes include 6 photographs each of multicultural faces expressing different emotions (12 faces in total), while the other 2 cubes feature corresponding emotion words. Activity guide included.

Age 1 year +  
**166545**

set of 4  
**£10.20**

### soft emotion squares

10 pairs of soft squares with different matching expressions. Can you find the matching pairs? Cotton storage bag included. 80 x 80mm.

Age 2 - 5 years

**242055**

set of 20

**£19.90**

set of 8  
£105.00

## monster emotion cushions

X147258

These loveable monster cushions can help to develop an understanding of emotions. The monster designs focus on an emotion removing human connection and they are squeezable, helping to calm children with sensory processing disorders. Encourage discussion and debate around the 8 different expressions. They are also perfect for space, monsters and aliens themes. Please allow 2 - 3 weeks for Direct Delivery.

*Encourage discussions around  
8 different expressions.*

## emotion tray puzzles

Use these 16 piece puzzles to talk about children's feelings: happy, sad, afraid, moody, angry, surprised. 12 pieces in each puzzle tray.

Age 3 years +

239488

set of 6

£35.50

set of 8  
**£63.00**

## tactile imps

These 8 dolls in different colours and materials are stored in a big, soft basket. Each character's outfit can be removed and then matched by colour or fabric to the correct bonnet. Differences in textured clothing (smooth, rough, soft, flexible, etc.) make it a great sensory resource. Washable at 30 degrees.

Age 15 months +  
**237566**

## tactiludi animals

Children feel inside a bag and choose a counter. They then describe the feel of the material to other children to see whose board it matches. 6 tactile cards, 18 tactile counters and a fabric bag. Cards 280 x 210mm. Counters 65 x 65mm.

Age 3 years +

**239151**

set

**£31.60**

## sensory sound eggs

Children will delight in finding out which eggs go together and have the same sound. Highly tactile and enormously appealing. 3 pairs of eggs. 60 x 45mm (l x w).

Age 2 years +

**244783**

set of 6

**£21.40**

## silishapes sensory circle set

Set of 5 large and 5 small textured circles made from ultra-soft flexible silicone. On the surface of each circle is a pattern which is distinctive and different from the rest of the set. Children can feel these textures and discover their differences. Hand or dishwasher washable. Circles 350 x 80mm.

Age 3 years +

**242551**

set of 10

**£37.00**

set  
**£56.50**

### healthy eating set

Set consists of 4 crates of healthy eating foods (fish, fruit, veg and dairy). Ideal to help your little one to learn about the importance of a healthy and balanced diet, where our food comes from and how we prepare our meals.

Age 18 months +  
**250082**

### sensory play stones

These durable stones are able to withstand the toughest of treatment and be as good as new once cleaned up. They are robust enough for creative cooking in a mud kitchen or role play area.

set  
**£52.00**

## who's speaking, who's listening

This set uses 6 hollow tubes and telephone handsets connected to a central hub to promote conversations and collaboration between a group of up to 6 children. When one speaks everyone else can hear what they are saying. Set includes 6 blindfolds so that children can play exciting games such as chinese whispers, describing a mystery object and using disguised voice to play 'guess who's talking'. All handsets, tubes and blindfolds are colour coded and each tube is 1.5 metres long.

**186902**

*listen carefully...*

*Promote conversations and group collaboration*

### talking tins - yellow

20 second recording. Talking Tins allow children to record and playback their own voice messages, music or sound effects.

## sand rollers

Textured super tough sand rollers in bright colours with a chunky grip. Can also be used with modelling dough, clay and paint. Textures include: Brickpattern, wavy lines, tractor tread, smoothing roller and pathway. Each roller measures 140 x 180 x 80mm.

Age 3 years +

**199168**                                      **set of 5**                                      **£31.00**

## slick sand

Great for sand and water tables Slick Sand will not get wet! So when you pour water on it, the water will stay on top and flow, instead of wetting the sand and sinking down as happens with ordinary play sand.

Age 2 years +

**212431** tub of 2.27kg **£24.50**

## Tuff Trays

An extremely versatile tray suitable for a variety of resource requirements such as sand and water, messy play, art and craft and various role play scenarios.

**202789** cover only each **£20.50**

A durable, lightweight, water repellent cover with strong elasticised edges, designed especially to fit snugly over the Tuff Tray.

**202770** stand only each **£59.00**

Sturdy metal stand with adjustable height of 450, 550 or 650mm.

**202568** blue tray each **£17.24**

970 x 970 x 70mm

**202541** black tray each **£17.24**

970 x 970 x 70mm

## adventure outdoors washable idea cards - mud, wind & puddles

The outdoor environment is alive with learning opportunities and can be a vibrant place for children's growth. It is the place where children are often at the most inventive, physically active and emotionally engaged. With hands in mud or feet in sand, eyes to the sky or ears to the ground, children are fully focused and absorbed. Designed to offer portable inspiration whatever the weather. Printed on durable plastic, each pack contains 30 photographs (120 x 75mm) with activity ideas on the reverse. Quick-release metal rings.

**245003** set of 3 packs **£31.60**

## mud kitchen bowl pack

A super shiny set of metal bowls in a variety of shapes and sizes. Large bowl 200mm diameter. Contents may vary.

**241865** set of 8 **£38.20**

## messy play utensils kit

A high quality utensils kit that is perfect for messy play. Includes: 1 x large mixing bowl, 1 x large colander, 1 x small sieve, 3 x jelly or slime moulds, 3 x colourful whisks, 2 x colourful ladles, 1 x potato masher, 3 x fillable egg spreaders and 1 x litre measuring jug. Please allow 4 weeks for Direct Delivery.

**X142503** kit **£43.50**

## mud kitchen washable activity cards

These inspirational activity cards will encourage children to get imaginative in their mud kitchen area. Each card includes beautiful photographic images on one side with activity prompts, vocabulary and extension ideas on the reverse. Durable plastic, any muddy splashes can be washed away. 16 double-sided cards measuring 275 x 210mm.

**245011** set of 16 **£21.40**

### instant snow

Non-toxic, super absorbent powder. Expands to 100x original volume when combined with water. Looks and feels like real snow.

**165085**                      **100g**                      **£5.70**

### water spinners

Fantastic set of water spinners in three styles. Cascade water or sand through the wheels and watch as it spins the wheels, then sieves through the base. Largest spinner measures 330mm high.

Age 3 years +

**203130**                      **set of 6**                      **£21.00**

### sand writers

The Sand Writer is shaped like a funnel so students can use it for sifting through sand. Use the unique stopping mechanism to control the speed the sand pours through the spout. Scoop sand into the funnel with the shovel-like edge. Encourage children to use whole arm motions while passing the Sand Writer over the sand table. As the sand pours out, it creates beautiful trails. Write letters and numbers or build sand sculptures! Includes: 6 Sand Writers size 205 x 120mm (8 x 5") and Guide.

**251178**                      **set of 6**                      **£28.00**

### mixed colour rice

A reusable 5 litre plastic bucket filled with vibrant and bold assorted colour rice. FoodArt rice is ideal for sensory play. Throw the rice into the tray with other textured fabrics or toys and let the little ones explore. Completely safe and manufactured using natural ingredients.

**256757**                      **tub of 5 litres**                      **£31.50**

## alphabet alligators

The alligators are easy for little hands to snap together and pull apart also developing fine motor skills. Alligator heads are printed with lower case letters and tails printed with upper case letters on both sides.

Age 2 years +

**241180** tub of 13 **£14.65**

## rhyming pups

These two-piece pups are easy for little hands to snap together and pull apart, encouraging a variety of early literacy skills - such as rhyming, letter recognition, vocabulary, early word building and basic spelling. Includes two levels of play - colour matching and identifying letters and basic three-letter word building and rhyming. Heads and tails can be mixed and matched to create over 55 rhyming words. Completed pups measure 115mm long.

Age 3 years +

**241172** set of 10 **£14.65**

## alphabet letter tiles

Stiffened felt squares featuring letters of the alphabet with lower case shown in bright colours and upper case in small black print. The squares match the alphabet play mat (Code 186961). Each tile measures 250 x 250mm. Features individual letters of the alphabet in upper and lower case with lower case letters prominent.

**186996** set of 24 **£49.50**

## alphabet play mat

A giant playmat made from rubber-backed felt. Features individual letters of the alphabet in upper and lower case with lower case letters prominent. 1500 x 1000mm.

**186961** each **£47.00**

## word building pebbles

Specially cast from a durable resin and stone mix, these tactile pebbles appeal to children's natural instinct to explore. Each one is engraved with a lower case letter and measures between 30 and 45mm. Contains three of each vowel, two each of b, c, d, f, g, h, l, m, n, p, r, s, t, y and one each of j, k, q, v, w, x, z.

**156124** set of 50 **£32.45**

## word building blocks

Chunky letter blocks make word building a breeze. Snap the letters onto the bases to form words and switch single blocks to explore sound substitution and rhyming words. 4 bases and 78 blocks including 20 vowels and 58 consonants. Blocks 30 x 30mm.

Age 4 years +

**243728** set **£57.10**

*make word building a breeze!*

**POP!**

## linking letter monkeys

Each monkey has a letter printed on its tummy. Children simply snap the monkeys' hands together to sequence the alphabet or spell simple words. Monkeys are 65mm high.

Age 3 years +

**243736** set of 26 **£52.50**

## alpha pops

Pop together these fun popsicles to match upper and lower case letters. Also great for first motor skills and imaginative play. Colour coded for self-checking. Popsicles feature a different letter on each side. 100 x 30mm (l x w).

**£51.50**

## rainbow design blocks

Easy building blocks for endless design possibilities. As children create, they build shape recognition and explore size relationships. 12 vibrant colours, 4 shapes and lots of different sizes. Plus wooden storage box. Longest piece: 240mm.

**240613**

## coloured discovery boxes

Introduce colour and texture with this wonderful set of discovery boxes. Children reach in to explore a soft blue fish, a squeezable red ball and more as well as discover one colour at a time. 16 shapes in 4 surface-washable vinyl boxes. Box 130 x 130 x 130mm.

Age 18 months +

**243833**

set **£91.70**

## 2D shape bag

A versatile resource for introducing 2D geometric shapes for Foundation and KS1. Included is an embroidered shape bag, 10 assorted 2D foam shapes, 10 labels and a useful activity sheet.

Age 3 years +

**158178**

set **£21.30**

## magma maze flowers

A fun way for children to practice the required skills for handwriting, including pencil grip, motor control and hand/eye coordination while at the same time learning about colour. Just move the coloured balls around the board with the pencil and put them in the corresponding coloured flower. 260 x 260mm.

Age 3 years +

**242144**

set **£26.50**

set  
£89.50

## shapes discover boxes

Open up the box to discover what shape is inside. Children explore shapes one at a time as they open up the boxes to discover a round wheel, a triangular pizza slice and more. A great start to shape recognition. 16 shapes in 4 surface-washable vinyl boxes. Box 130 x 130 x 130mm.

Age 18 months +

243825

*a great start to  
shape recognition*

## giant linking shapes

These chunky, interlocking shapes are ideal for small hands and can be used for colour, sorting, pattern and shape sequencing activities both indoors and out. 4 each of square, rectangle, circle and triangle with shape's name in Braille. Rectangle measures 240 x 170mm.

Age 3 years +

242381

set of 16  
£66.50

## chunky shape matching board

Shape matching board with chunky geometrical pieces that are easy to lift out of their tray. Encourages colour and shape recognition.

241776

set £19.49

## creative play puzzles

Colour coordinated shapes to turn and sort. The 3 pieces of each shape will only fit on the corresponding post. Helps develop hand/eye coordination.

241695

set £14.65

## geometric shapes logic puzzle

Sort the pieces by shape and characteristics to complete the puzzle. 16 pieces. 210 x 210mm (l x w).

240117

£9.40

## baby puzzles

237736 shapes each £8.35

3 different shapes with 3 pictures underneath. 300 x 120 x 15mm (l x w x d).

237728 colours each £8.35

3 same-size coloured circles for lifting with a peg to reveal 3 animals in different colours underneath. 300 x 120 x 15mm (l x w x d).

Age 2 years +

## coloured bean bags

Designed to assist with colour recognition and literacy. Features the name of the bag's colour printed on the bag.

224642

set of 6

£5.15

## number & colour match eggs

A plastic egg box containing a dozen eggs which each pull apart to reveal brightly coloured numbers to match with their corresponding pegs and holes.

Age 18 months +

242691

each £17.60

## first discovery pack

A set of activity boards for children to begin to recognise shapes, colours and numbers. Counting stacker, first shape puzzle board and colourful pounding board plus hammer.

Age 1 year +

Age 3 years +

**244961**      **dinosaur bones set**      **set of 16**      **£36.70**

Cast from a durable and unique mix, these bones will instantly appeal to children's instincts to explore, investigate, collect, compare and measure. Each bone increases in size and can be used to introduce the concept of measurement, doubling and halving. The set includes 16 bones, 2 of each: Size 60, 80, 100, 120, 140, 160, 180 and 200mm.

**244988**      **activity cards**      **set of 16**      **£15.85**

Designed to be used alongside the Dinosaur Bones set (Code 244961), these exciting and wonderfully attractive activity cards are an ideal way to encourage children to match, count, compare, order and measure the bones they discover. Made from durable PVC. Ideal for use outdoors. 275 x 210mm.

# botley the coding robot

Age 5 years +

**X146225 Botley the coding robot** each **£47.50**

Designed to engage children in Science, Technology, Engineering and Maths! Primary learners can get hands-on with STEM learning with this colourful early coding robot! Young learners can explore early coding and programming concepts. Children program Botley to perform a sequence of steps whilst avoiding obstacles, manoeuvring courses and moving objects. Please allow 2 weeks for Direct Delivery.

**X146233 activity set** set **£63.00**

This fun and engaging set includes 77 pieces; Botley robot, remote programmer, detachable robot arms, 40 coding cards, 6 boards, 8 sticks, 12 cubes, 2 cones, 2 flags, 2 balls, a goal and a sheet of stickers. Also includes a comprehensive multilingual activity guide. Botley measures 125mm x 100mm (w x h). Robot requires 3 AAA batteries (not included) and remote programmer requires 2 AAA batteries (not included). Please allow 2 weeks for Direct Delivery.

**251453 action challenge** set **£11.08**

This fun and engaging robot accessory pack includes; 30 small dominoes, 2 balls, swinging hammer, rotating gate, ramp, large dominoes, medium dominoes, cup and detachable robot arms. Also includes a comprehensive multi-lingual activity guide.

## junior laboratory

Supports hands-on science investigations into concepts including science processes, living and non-living things, physical science, senses and more. Includes beakers, magnifying glass, funnel, pipette, flask, tweezers, goggles, large and small test tubes with lids and stands and 10 activity cards.

Age 3 years +

**198846** kit **£29.00**

## horseshoe magnets

Where can you make the magnet stick? How does it work? For these kinds of discussions and more, use these durable, plastic horseshoe-shaped magnets. Good for small groups or individual learning. 142mm high.

**153648** set of 6 **£16.75**

## primary magnet set

The perfect set to develop magnetic investigation. Comes with a useful A4 background information booklet with 16 experiments linked to the QCA science curriculum for Key Stage 1. Contains 4 wands, 20 magnetic marbles, 2 plastic cased magnets, a super magnet, a set of floating ring magnets and a small horseshoe magnet. All components slot into a purpose made plastic moulded carry box for easy counting out and counting in.

**152935** set **£31.50**

## liquid volume measurement set

Includes 5 nesting measuring bottles (100-3000ml), 3 measuring jugs, 5 measuring cups and 6 measuring spoons.

**207217** set **£21.50**

## jumbo droppers

Jumbo pipettes for little hands that are ideal for developing fine motor skills while learning primary science. Ideal for experimenting with volume and cause and effect. The sturdy stand keeps droppers in place. Length 115mm.

Age 3 years +

**241350** set of 6 **£12.55**

### sensory rainbow cascade set

6 large sensory liquid towers, each containing 2 streams of coloured liquid which cascade to the bottom in droplets at varying speeds.

242535

set of 6  
**£24.50**

### treasure basket packs

**243248 shells (2kg) £30.00**

A great collection of decorative and tactile shells for your interest table or treasure baskets. An ideal resource to encourage group discussion. Collected from monitored sites to ensure sustainability.

**243221 stones (4kg) £29.50**

This beautiful set of highly polished stones are perfect for sorting, counting and sequencing and are a great sensory addition to your treasure baskets or interest table. The stones come in a number of different shapes, sizes, colours and textures, creating interesting topics for discussion. Contents: 1kg tiger eye polished pebbles, 1kg assorted polished stones, 1kg black polished pebbles and 1kg white polished pebbles.

### natural wooden buttons

*Connecting is easy with these smart magnets*

### magnetic block set

A super magnetic construction set containing a range of differently shaped and sized blocks for creating vehicles, buildings and abstract designs. Each block contains smart magnets that rotate in any direction to find polar opposites, ensuring a secure magnetic connection with a satisfying click when pieces are placed adjacent to each other. Includes ideas for construction. Size of vehicle chassis: 98mm.

**244694**

### jumbomagnetics

Create and discover magnetic fun. This construction set is ideal for young children and is easy to connect and take apart. Build with pieces that stick together with ease. Contents: 15 long rods, 35 short rods and 22 balls. Ball 55mm diameter. Largest rod 130mm long.

Age 2 years +

set of 72

**£68.50**

### pieces of wood

Pieces of Wood is a very natural but very different approach to building blocks! The pieces are cut from the branches of responsibly harvested trees, the bark is not removed and each set is unique. Most of the pieces are 20, 40, 60, 80 or 100mm long with parallel ends but they vary naturally in diameter; the set also includes platform places and other challenging shapes.

**179485**

set of 40
