

how to

bunny nose

You will need...

- Coloured lollipop sticks
- Coloured pom poms
- Fuzzy pipe cleaners
- Glue
- Pen
- Scissors
- White and pink paper

super easy to make

1. Glue two pom poms together to create your bunny's nose.
2. Add your whiskers by gluing 3 pipe cleaners to the back of the pom poms.
3. On your white paper, draw two rectangles joined together and a pink circle. Cut these out.
4. Glue the rectangles onto the coloured lollipop stick. These are your bunny's teeth!
5. Glue your pom poms on top of the teeth. Make sure you can still see your bunny's teeth.
6. Decorate your bunny nose with the pink circle.
