

how to

bug on leaf

You will need...

- Coloured card
- Coloured pom poms
- Glue
- Pen
- Scissors
- Wiggly eyes

super easy to make

1. Using the green card, draw an outline of a leaf and cut it out.
2. Use a green marker to draw simple details of the leaf.
3. Make a line with 3-4 pom poms and glue them together to form a bug.
4. Decorate the bug with wiggly eyes to bring it to life.
5. Add glue onto the bottom of the bug and glue into place on the leaf.
