

how to

paper bat

You will need...

- Coloured card
- Wiggly eyes
- Glue
- Pencil
- Scissors
- Decorations

1. Take two pieces of card and use them to trace around each hand with a pencil.
2. Cut out your handprints.
3. Glue the two handprints together with the fingers facing out like wings.
4. Draw a circle, two feet, an oval for its tummy and two triangles for its ears on the same colour card as the wings.
5. Draw a slightly smaller oval for its tummy and two triangles for its ears on different coloured card to the wings. Cut them all out carefully.
6. Stick the ovals on the two handprints to cover the join and add the feet at the bottom.
7. Stick the circle above the oval to make a head and add the two ears either side.
8. Decorate with wiggly eyes and anything else to make your bat spooky and spectacular!

Super easy to make
