

how to

scarecrow

You will need...

- Lollipop Sticks
- Glue
- String
- Scissors
- Decorations

1. Line up and glue 10 lollipop sticks together.
2. Place and glue another lollipop stick diagonally across the first 10 sticks, towards the top.
3. Cut around 10 pieces of string of similar length.
4. On the opposite side, glue the top of the pieces of string to the sticks so the bottom hangs freely.
5. Colour in the diagonall lollipop stick and all the sticks above it.
6. Decorate its face underneath the diagonal stick – maybe give it some eyes, a nose and even a hat!

super easy to make
