FOLLOW UP VISITS: 30 Minutes, \$175. Phone or In-Person

**New Patient & Phone Consultations require a credit card to hold appointments.**

**Cancellation Policy:** Appointments canceled or rescheduled within **2 business days** will be charged half the visit fee.

**Appointments canceled within 24 hours of the appointment will be charged the full visit fee.**

An appointment for Monday must be canceled by Thursday before the hour of their scheduled appointment time. This will allow us time to pull patients from our waiting list.

I have read and I agree to the above cancelation policy of The Lee Clinic: \_\_\_\_\_ (initials here)

**Dr. Lee sees patients on time, and does not double book. Please be on time. If you are 10 minutes late your appointment will still end at the expected time.**

**Preferred payment method** is by check. We also accept Visa, MasterCard, Discover, American Express and CareCredit.

Retesting and a follow-up visit is required every 6 months, if you wish to refill your prescriptions.

Prescriptions are done on a 6-month basis, 3 months at a time. Please have your Pharmacist fax us a request for renewal 2 business days prior to your need to 540-542-0401. We cannot call in a refill, have your pharmacy fax us. Vitamins and Supplements can be ordered online at [www.theleeclinic.com](http://www.theleeclinic.com).

Phone messages: All calls forward to our business office. Please leave a VM or email; it is not necessary to do both. Our lines stay busy, however, we return calls in the order they were received and do our best to answer them the same business day. Thank you for your patience.

**The Lee Clinic does not participate in any insurance plans, nor are we providers for medicare or any federal or state plan. Every patient is required to sign a statement that they understand they may not submit bills to Medicare or any federally funded plan.
