Nut Milk Bag Pattern

3/8" (1 cm) seam allowance included

CUT 2

- 
1. Cut 2 pieces for the bag, making sure to transfer button hole markings.
 2. Sew a 1/2" button hole at marking on each piece, open button hole.
 3. With WRONG sides together sew both pieces together at outer rounded seam, finish this seam in your preferred method. (Please note: the finished seam will be on the OUTSIDE of the bag)
 4. Turn down the top edge by 3/8" (1 cm) to the wrong side, and press. Turn down again by 1" (2.5 cm) and press. Edge stitch along the first fold, to create a casing for the cord.
 5. Using a safety pin or bodkin, thread your cotton cord through the casing and tie both ends together.
- You're done! Enjoy your homemade dairy-free milk!
