

Doll -E Makey Makey Creature Challenge

1. Use only the materials in your bag and masking tape to build a creature.
2. Make sure there are 3-4 **conductive touchpoints** on your creature. These will allow your invention to talk!
3. Name your creature: _____
4. What words and phrases will you put in your creature's database? (You need four -five words or phrases)

5. Record your creature's database on the arrow keys at MakeyMakey.com/Sampler.
6. Creatures will be completely taken apart at the end of time so that other creatures can be built by your friends!
