PELLI

The newest thing in timeless materials.

Every Pelli product is made from all-natural sustainable materials, including cotton, waxed canvas and jute, to put something beautiful out into the world. More importantly, we've ensured that our products are recyclable, biodegradable and functional for everybody. Like stronger, redesigned linings, innovative compost-friendly insulation, and versatile product design.

In fact, we've designed our whole company ethos to do good for our oceans and the world, while having you look your best.

See how far we've
come together

Pelli Summer 23/24

"By far the best purchase I made this year! So roomy and the different pockets help you be organised."

The Pelli Ocean Challenge.

Every time you purchase a Pelli Bag, we will clean up an area of the ocean in your name. Our goal is to clean up 100,000m² every year.

So far, you have helped us clean 439,931m².

Pelli Summer 23/24

Decisions, decisions, decisions.

We're here to help.
