ACE DINING BASE

- Ace base is produced sustainably and traditionally by sandcasting recycled iron, this solid base carries character of a craftsman's touch.
- Unique texture is characteristic of the re-melted metal surface and creates a distinctive industrial look.
- Clear finish for indoor use only.
- Base is equipped with adjustable levelers.
- Recommended top size is no wider than 36 in. This base can support slab tops.
- Hand made in Central Java, Indonesia.
