BRIDGE BAR BASE

- An ode to the engineering wonders of a bridge, this lightweight pedestal base uses a series of hollow posts as its main structure giving it strength without sacrificing weight.
- Equipped with adjustable levelers.
- Central column is 3 in thick.
- Bridge comes in iron and stainless steel versions with clear finish for indoor use.
- Recommended top size is 36 in square or round.
- The base is also available in the dining height.
- Hand made in Central Java, Indonesia.
