## CIPHER EXTENDABLE DINING BASE

- Cipher base is made with rectangular profile iron tubing. With its tapered shape, it can be flipped and used with either side up. It can be assembled in two configurations, with or without the central trestle.

- The leveling feet are interchangeable.

- Without extension, the base is recommended for round or square tops 54 - 60 in; with extension, it works for rectangular tops from 84 to 120 in long and 36 - 39 inches wide.

- Powdercoated finish, indoor grade.

- Partial assembly is required; the base comes with brackets and hardware to attach the top.

- More sizes are available in the Cipher collection.

- Hand made in Central Java, Indonesia.
