CIPHER SIDE TABLE BASE

- Cipher base is welded from 1.25 inch iron tubing. With its tapered shape, it can be flipped and used with either side up. Equipped with removable adjustable levelers.
- This size base is recommended for the tops 11 - 20 in wide x 18 - 32 in long. Best suited for a side table use.
- Clear finish for indoor use.
- The base is provided with brackets to attach the top.
- More sizes are available in the Cipher collection.
- Hand made in Central Java, Indonesia.
