## SCOUT DESK 36 / 48 in

- Scout is a solid wood desktop with elegant beveled edges. It features a pencil drawer and a raised area that is perfect for a monitor. This desk component can be combined with 24 - 28 in legs for an ergonomic work station or mounted on Apollo System vertical posts that allow to adjust heights.

- Clear finish for indoor use.

- Inside pencil drawer dimensions: 10 x 5 x 2.5 in.  
Desk is available in two sizes.

- All wood is sustainably sourced from local plantations.  
Hand made in Central Java, Indonesia.

WIDTH: 36 / 48 in

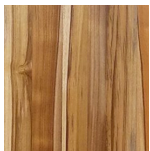

DEPTH: 22 in
