

Emerson Credenza

FINISH > Walnut with White Lacquer

BASE > Powder Coated Steel

The Emerson Credenza is a minimalist design that contrasts wood grain with smooth lacquer surfaces, creating a piece that is both timeless and contemporary. A recessed, slender steel base with white, powder-coated finish creates an illusion of weightlessness. Adjustable shelves provide plenty of efficient storage space. The Credenza is part of the Emerson Storage Series, matching perfectly with the Emerson End Table and Media Stand.
