## FINN LEANING BOOKCASE

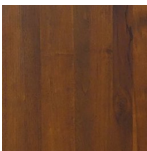

- Finn is an all-wood leaning shelving unit. Its minimal clean design allows to highlight the items on display.
- Clear finished for indoor use only,
- The unit is equipped with leveling feet.
- The unit must be leveled and attached to the wall with the brackets provided. Each shelf must touch the wall at the back. Failure to do so may result in personal and property injuries. Do not use the unit as a ladder.
- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.
