GALLANT DINING TABLE

- Gallant table is made with solid wide teak wood slats with outdoor grade finish. When left outside, it will acquire silvery grey patina. The legs feature traditional finger joinery.
- Extension leaves kits are available for current models to increase the table size for additional seating.
- Table is equipped with sturdy glides.
- Available in two sizes, 32 x 60 in and 36 x 72 in. Matches with other products from our Outdoor Gallant collection that includes tables and seating.
- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.
