GRASSHOPPER BENCH, 46 / 60 in

- Grasshopper bench frame is constructed from solid wood using traditional solid mortise and tenon joinery, and its webbing material gives the seat its firm yet flexible base.
- Available in multiple material options. Textilene and rubber are outdoor grade materials. Floor protection features sturdy nylon glides.
- Available in two sizes.
- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.
