GRASSHOPPER COUNTER STOOL

- Grasshopper is a classic hand built stool with a solid wood frame and woven seat and back for added comfort.
- Available in multiple webbing options. Textilene and rubber are outdoor grade materials. Rubber comes from recycled tires as a part of our sustainable initiative. Leather is aniline dyed and wax rubbed. Due to nature of material each chair will show unique characteristics.
- Also available in a bar, dining and lounge options, and as a bench.
- Non stackable frame.
- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.
