GRASSHOPPER DINING CHAIR

- Grasshopper is a classic hand made chair with solid wood frame and woven seat and back for added comfort. Outdoor and indoor material options are available.
- Shown with recycled tire rubber webbing. Due to nature of some webbing options, each chair will show unique characteristics.
- Also available in counter, bar and lounge options.
- Non stackable frame.
- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.
