GRASSHOPPER DINING CHAIR

- Grasshopper is a classic hand made chair with solid wood frame and woven seat and back for added comfort. Textilene and rubber are outdoor grade materials.

- Shown with recycled tire rubber webbing. Due to nature of some webbing options, each chair will show unique characteristics.

- Also available in counter, bar and lounge options.

- Non stackable frame.

- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.
