KALI OCCASIONAL TOP

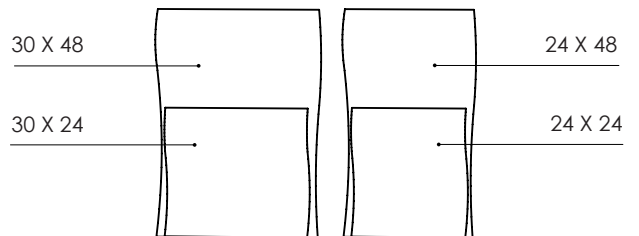

- Kali is our signature solid wood top that is made with hand-selected and artistically matched long boards that are assembled with finger joints. Each is as unique as the grain of the wood from the trees.
- “Kali” means “river” in Indonesian; while tops are uniform in sizes, each live edge is one of a kind.
- Tops are 1.6 in thick.
- Clear lacquer finish for indoor use only.
- Available in multiple standard sizes.
- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.
