## KENGO COUNTER STOOL

- Kengo seating collection exemplifies Japanese minimalism and precision with its interlocking square wooden frame and simple woven seat. The frame features traditional mortise and tenon joinery. Rattan provides supportive seat with plenty of comfort.
- Clear indoor finish.
- Non-stackable frame.
- Also available in a version with outdoor rope seat; as a dining chair and a bar stool.
- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.
