KENGO DINING CHAIR

- The Kengo chair exemplifies Japanese minimalism and precision with its interlocking wooden frame and rattan seat. The frame features hand made traditional mortise and tenon joinery. The rattan provides supportive seat with plenty of comfort.
- Indoor grade item.
- Non-stackable frame.
- Also available in a version with rope seat; as a counter and bar stool.
- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.
