## LURUS STRAIGHT EDGE DINING TOP

- Lurus is the solid hardwood top that is made with hand-selected and artistically matched long boards that are assembled with finger joints. Each is as unique as the grain of the wood from the trees.
- Lurus features straight edges.
- Tops are 1.6 in thick.
- Clear lacquer finish for indoor use.
- Available in multiple standard sizes.
- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.
