MIKA DESK

- Mika Desk is a part of our Mika leaning collection. It features elegant frame and airy design. When placed next to Mika Shelving, the shelves line up to create a continuous look.

- Mika desk must be leaning flush to the wall and must be attached to the wall. Equipped with L-bracket to secure the unit and with leveling feet. It must be leveled well to balance the unit before attaching.

- Mika can be flatpacked for storage or transportation.

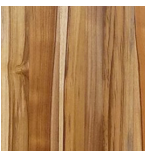

- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.
