PERCH COUNTER STOOL

- Perch is an elegant seating collection featuring seats that are hand carved into a gently scooping shape out of a solid slab of teak. Each has unique grain figuring.
- Frame is available in a variety of finishes. Outdoor versions have holes in the seat for drainage.
- Also available in dining and bar sizes.
- Non stackable. Features plastic floor glides.
- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.

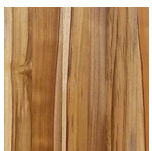

WIDTH: 15.5 in
