PERCH DINING STOOL

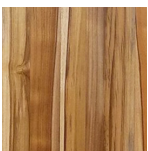

- Perch is a series that features seats that are hand carved into a gently scooping shape out of one solid slab of teak. Each has unique grain figuring.
- Frame is available in a variety of materials including outdoor grade options. Outdoor version has holes in the seat for drainage.
- Also available in bar and counter versions.
- Non stackable. Features plastic floor glides.
- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.

WIDTH: 16 in
DEPTH: 15 in
HEIGHT: 19 in
